PROCLAMATION

The National Safety Council is conducting a nationwide campaign to cut down the heavy annual July accident toll, which last year took 8,720 lives in this country.

This July toll is due largely to the Independence Day holiday death total and is fed, too, by increased traffic and recreational facilities caused by summer weather.

Keenly aware that citizens of this state not only are willing but eager to enlist in the fight to save human lives, I, Harlan J. Bushfield, Governor of South Dakota, ask every man, woman and child to join enthusiastically and wholeheartedly in this drive for greater July and summer safety. Let each of us use increased care in walking and driving, exercise greater caution in swimming and boating, refuse to use explosives or fireworks and refrain from driving after drinking.

Done at the Capitol, in the City of Pierre, this 12 day of June, 1939.
